## Toolbox Talk: Certification Confirmation/Update Forms

During December 2018, a Certification/Update form was sent out to all field employees for them to complete & sign; to date we have received back less than half. Attached is a list of the workers who have not returned their forms.

- **For this Tool Box Talk – the listed workers are to complete and sign a form (blank form is attached) - NOW.**
- **The workers are to present their OSHA 10 or OSHA 30 card to their Foreman/Supervisor - NOW.**
- **The Foreman/Supervisor will photograph the front of the card and email it to sh@island-acoustics.com – THANK YOU.**

The Foreman/Supervisors are to return the completed forms to Susanne Harris no later than Wednesday, 3/6/19.

---

Per Local Law 196 of 2017:

Effective June 1, 2019 - If you are working or plan to work in New York City (the 5 boroughs) you MUST have a valid OSHA 30 card on record with Island Acoustics. If a valid OSHA 30 card has not been received, Island Acoustics cannot employ you.

Local Law 196 of 2017 requires certain workers and supervisors to receive safety training at construction sites that are required to designate a Construction Superintendent, Site Safety Coordinator or Site Safety Manager. Workers will need a minimum of 30 hours of training and supervisors will need 62 hours of training by June 1, 2019. In addition, workers will need an additional 10 hours of training by September 1, 2020.

**If you are currently pursuing your OSHA 30 card please include the expected completion date on the form. Once you have your card please send a copy to sh@island-acoustics.com .**

Please be sure to sign your name to the training certification form.
