### **Toolbox Talk: UPDATED Local Law 196 Deadline**

Recently the NYC DOB has changed the deadline for the required OSHA 30 and OSHA 62 cards from June 1, 2019 to December 1, 2019. This applies to all trades (carpenters, tapers, etc.) that plan to work within the 5 boroughs of New York City.

The attached service notice should be reviewed and posted at all job sites until September 1, 2020.

Please note that if you obtain your 30 or 62 hour card, a copy must be sent to [sh@island-acoustics.com](mailto:sh@island-acoustics.com) for our records.

It is the worker's responsibility to obtain the proper training either online, at a training school, or through the union. If possible, Island Acoustics will provide training should the opportunity arise.
